About Us

Tempest Gold Pty Ltd is a property and market intelligence company based in Botswana, specialising in providing evidence-based insights and value-driven real estate solutions. Established to bridge the gap between property data and strategic decision-making, Tempest Gold combines industry expertise with research-driven methodologies to help clients navigate the evolving real estate landscape with confidence. Our core services encompass Property Market Research, Feasibility Studies, Sales and Lettings, and Property Valuations and Property Advisory and Mediation.

Through these services, we empower developers, investors, financial institutions, and policymakers with data-driven intelligence that fosters growth, innovation, and informed investment decisions.

TEMPEST GOLD

YOUR PROPERTY PROS

Registered with the Real Estate Institute of Botswana (REIB) and the Real Estate Advisory Council (REAC), Tempest Gold adheres to the highest standards of professional ethics and practice. Our team comprises seasoned real estate professionals, researchers, and analysts with extensive experience across residential, commercial, and institutional markets. At Tempest Gold, we are committed to the belief that strategic outcomes begin with accurate data. Our mission is to provide trusted, actionable insights that support sustainable development and enhance confidence in Botswana's property sector.

Vision

Our vision is to provide comprehensive and integrated property services and solutions to landlords, buyers, tenants, developers, property investors, and industry stakeholders.

We believe in:

- Harnessing technology to enhance transparency and efficiency
- Grounding our advisory in rigorous research and real-time data
- Co-creating with stakeholders to ensure relevance and lasting impact
- Integrating gender-sensitive and community-centred perspectives in our projects

Mission

To deliver innovative, data-driven, and socially conscious real estate and infrastructure solutions that empower communities, drive sustainable development, and unlock long-term value for our clients and partners across Africa.

Botswana Real Estate Market Review

As Botswana's property sector evolves, there is a growing need for timely, independent, and reliable market intelligence to guide investors, developers, financiers, and policymakers. The Botswana Real Estate Market Review is designed to fill this gap by providing authoritative insights that enable informed decision-making.

The Real Estate Market Reviews combine primary and secondary research to deliver clear, professional analysis of market trends, risks, and opportunities. It builds on our proven experience in producing customised market intelligence reports across Botswana's property sector, including work in commercial, residential, industrial, and hospitality markets.

Botswana Real Estate Market Review

As Botswana's property sector evolves, there is a growing need for timely, independent, and reliable market intelligence to guide investors, developers, financiers, and policymakers. The Botswana Real Estate Market Review is designed to fill this gap by providing authoritative insights that enable informed decision-making.

- Commercial/Office Market Review: assessing occupancy levels, rental performance, demand drivers, and development pipeline.
- Retail Market Review: evaluating mall performance, footfall trends, anchor tenant mix, and emerging retail sub-markets.
- Industrial Market Review: benchmarking warehouse stock, rental performance, and demand outlook in Gaborone and surrounding nodes.
- Hospitality Sector Study: focusing on lodge and tourism-driven developments, assessing occupancy rates, competitive positioning, and regional demand dynamics.

Founding Director's Profile

Neltah Tshepiso Mokgware-Monosi (Ph.D)

Neltah Tshepiso Mokgware-Monosi is the Founder and Managing Director of Tempest Gold (with over 10 years of experience), a real estate company with business interests in Africa. She holds a BA in Economics and Accounting, an MSc in Project Management from the University of Bolton, and a Doctorate in Real Estate from the University of Witwatersrand. Neltah also has qualifications in real estate, business administration, and vocational and education training (CVET).

Her business and leadership acumen have gained her recognition continentally and internationally. Tempest Gold has been selected as one of Demo Africa's 2018 Top 30 start-ups in Africa. In 2019, she was awarded the 'Women in Africa' Botswana Jaureate and was also named the 'Young Property Person of the Year in Africa' by API Events. In addition, Neltah was recognised by 'Wealth & Finance International' in 2020 as the 'Best Woman-Owned Property Technology Start-Up-Africa.' She has served on the Board of the Real Estate Institute of Botswana and the National Youth Council, where she held the position of Secretary-General in both organisations. In 2022, Neltah came third in a Nigerian competition, the EMSA Real Estate Essay Competition, organised by Northcourt, making her the only foreign (and female) winner.

In the same year, Neltah was offered a 'visiting scholar' opportunity to lecture at Nigeria's Covenant University for a period of 3 months. She was also appointed a 'teaching assistant' at the University of the Witwatersrand in South Africa. Also in 2022, Neltah was accepted to the Association for Research of Civil Society in Africa's (AROCSA) annual workshop, where she continued to share her gender-relations studies in the real estate industry. She was also awarded a grant by the International Real Estate Society (IRES) to present her research paper titled 'Creating an Inclusive Built Environment: Achieving Gender Equality in the Real Estate Industry' at the African Real Estate Society (AfRES) in November 2022, hosted in Ghana.

A seasoned real estate professional and early-career researcher, Neltah is currently a Mawazo Fellow and a Leaders of Africa Institute Fellow, recognised across the continent for her thought leadership and commitment to policy-relevant research.

Our Services

At Tempest Gold, we deliver forward-thinking real estate solutions backed by experience, innovation, and a deep understanding of Botswana's property market. Our service offerings are tailored to individuals, businesses, developers, and investors seeking excellence, professionalism, and measurable results.

- **Sales & Lettings**

Our agency services are trusted by clients seeking to **buy, sell, or lease properties** with ease and confidence. We have successfully handled the sale of freehold land, facilitated sectional title sales and lettings, and matched clients with A-grade commercial offices and industrial units. Whether you're a local buyer, an international investor, or a business seeking premium space, Tempest Gold offers strategic marketing, thorough due diligence, and seamless transactions that convert interest into investment.

- **Project Management**

Tempest Gold provides comprehensive **project management** services for developments of all sizes. From planning and procurement to execution and handover, we manage timelines, budgets, risks, and quality with precision and expertise. Our team ensures that projects are delivered on time, within budget, and to the highest professional standards, creating value at every step.

- **Property Development & Management**

We don't just build properties, we create thriving assets. **Our development services cover the full lifecycle, from land acquisition and concept design to construction oversight and marketing.** Following development, our property management team takes over to handle tenant relations, lease administration, maintenance, and financial reporting, ensuring your property performs optimally and retains its value.

- **Property Advisory Services**

Whether you're making your first investment or managing a diverse portfolio, our **advisory services** are designed to empower intelligent decision-making. Tempest Gold offers tailored solutions, including feasibility studies, market intelligence, portfolio optimisation, and investment guidance. We work closely with clients to align property strategy with long-term objectives, ensuring every opportunity is informed, viable, and profitable.

- **Property Valuations**

At Tempest Gold, we deliver accurate, professional, and timely property **valuations** that support a range of needs. Our valuation experience includes land board transfers, mortgage loan applications, and financial reporting for both individuals and institutions. Trusted by banks, investors, and government bodies, our reports are grounded in local market insights and aligned with international best practices, giving you the confidence to move forward.

Commercial & Industrial Sales &Lettings

One of our core lines of work at Tempest Gold is selling and leasing commercial property within the region, spanning from the South East district to the North West district, and often including areas outside these boundaries as well. With a decade of experience in this field, our dedicated and highly qualified commercial team possesses a wealth of knowledge across the commercial market.

From small industrial warehouses to large mixed-use development sites, our team is one of the most experienced in achieving favourable results for our valued clients. Up-to-date market knowledge in these areas is crucial for achieving the desired outcomes on commercial properties.

Lease documentation can also be a complicated process; at Tempest Gold, our experienced administration team has years of knowledge in ensuring that this process is kept as simple as possible. Tempest Gold has dedicated commercial legal professionals that we work with regularly, who can advise on varying leasing documentation if needed.

Residential Sales &Lettings

In your decision to select one selling or leasing agent over another, consider how powerful a combination this extensive skill set can be; a one-stop shop covering all aspects of real estate, ensuring you receive the very best in representation.

Tempest Gold specializes in the sales and letting of standalone properties, multi-residential, and townhouses. Our experienced agents all demonstrate that we have the resources to ensure the best possible outcome in the shortest possible time.

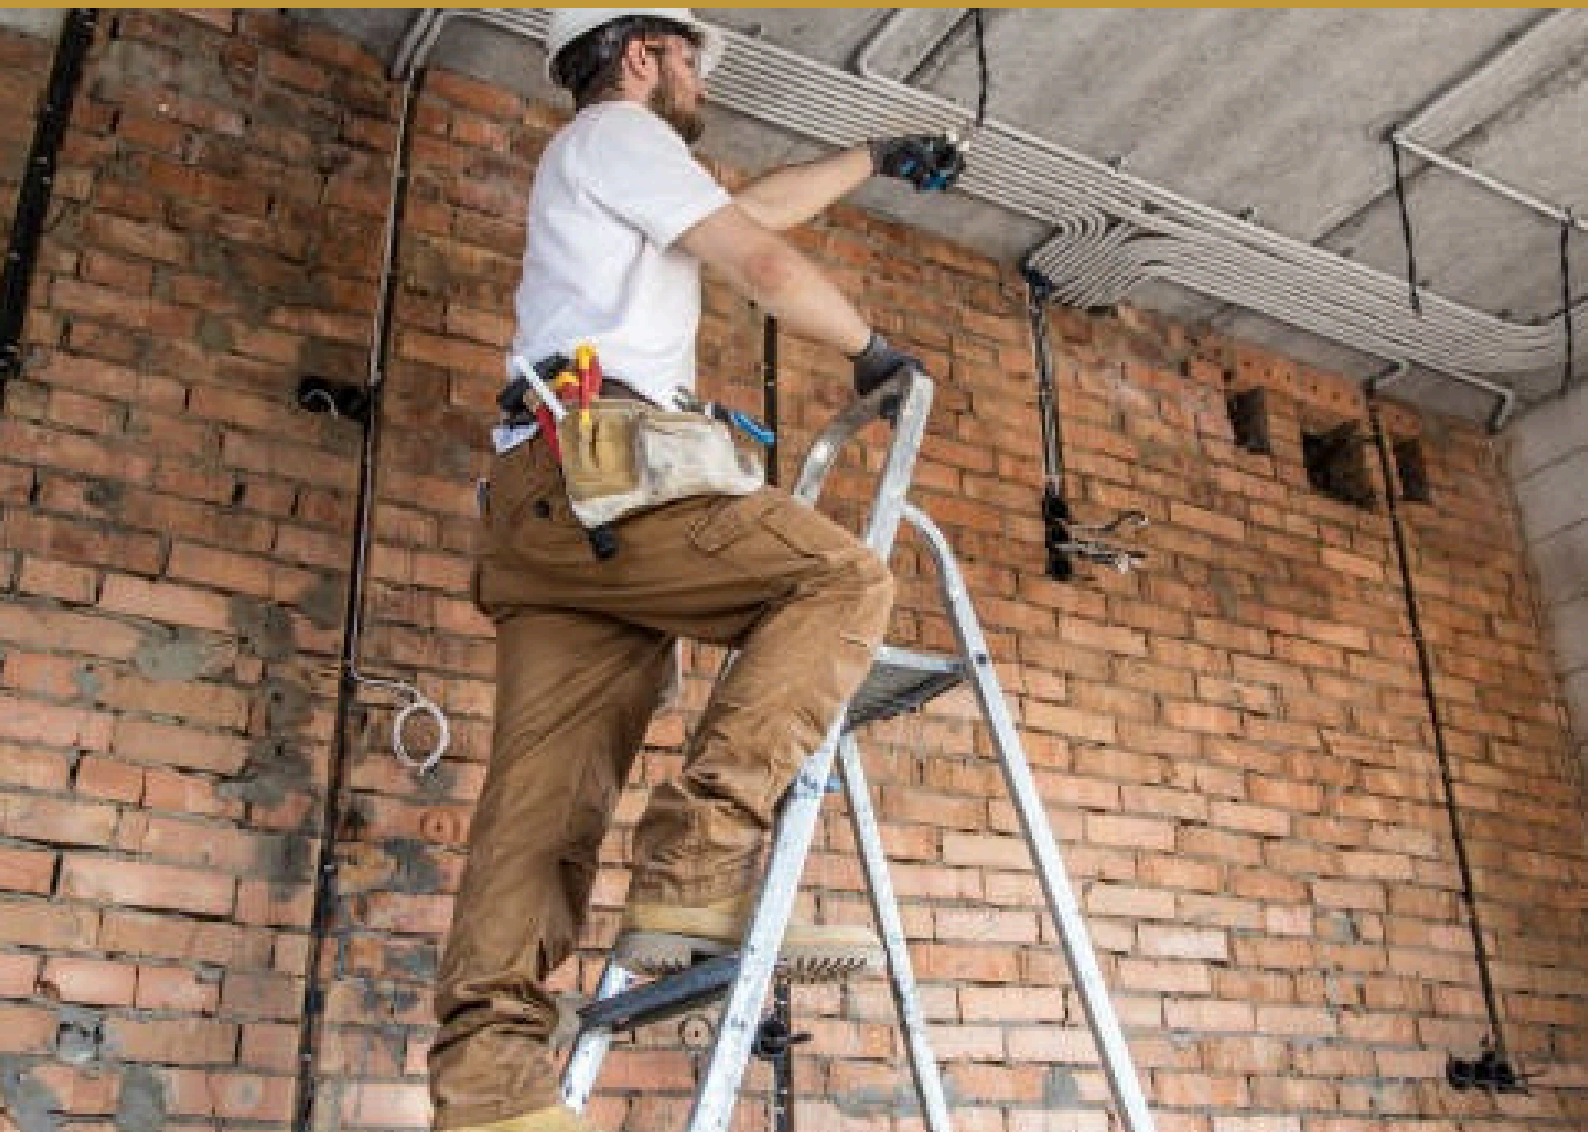

At Tempest Gold we are creating a new era in the approach to residential and commercial sales, bringing back experience, knowledge, and the understanding that is needed to provide the superior level of service that you, as a property owner, deserve.

Property Management & Maintenance

Property management is a specialized field, with many unusual and varied requirements under legislation that the majority of traditional real estate agencies do not have the information, confidence, or knowledge to deal with. The success of our Asset Management team with the backing of experts in other associated fields, such as commercial leasing and sales, also agents who can provide property investment advice.

Our specialized team will ensure, with our local commercial knowledge, that your properties will have a smooth transition to being managed, removing any stress and hassle you may be currently experiencing. Asset management is not just the collection of rent. To efficiently manage a property, the amount of work involved requires experts, such as our team at Tempest Gold , to provide a comprehensive range of tasks to enable complete portfolio management. It is imperative that our clients are achieving the appropriate return from their property investment, and it is for this reason that our Director takes a close and personal interest in every property that is being managed by the business.

Property Advisory & Mediation

To provide property advisory strategies and assistance through a comprehensive process to buyers, assisting them in working through the pre-due diligence process of purchasing/investing in properties. With the assistance of our corporate partners, we will provide detailed checklists and business plans that will enable the buyer to make an informative decision as to the pathway of purchasing the business that best suits their skill set. Purchasing the right investment property can be a frustrating process, but with the right assistance, detailed checklists, and comprehensive pre-due diligence, we will ensure that we provide the right choice that will best suit the buyer's skill sets.

We offer professional mediation and dispute resolution services to help clients address property-related conflicts fairly and efficiently. Our goal is to find practical solutions that save time, reduce costs, and maintain positive relationships between parties. We handle matters such as lease disagreements, boundary concerns, valuation differences, and management disputes. Through a balanced and confidential process, we work with all parties to reach agreements that are clear, reasonable, and in the best interest of everyone.

Property Valuation & Rental Assessment

Property Valuations/Appraisals

Tempest Gold offers valuation reports for a variety of properties, including residential, commercial, industrial, land, and agricultural plots. Valuation reports are needed for these reasons, and our seasoned valuers deliver excellent and realistic property valuations:

- Land board transfers
- BURS Submissions
- Insurance requirements
- Rental determination
- Mortgage applications
- Determination of your property/land value

Rental Determination

Tempest Gold offers expert property mediation and rent determination services designed to resolve disputes efficiently and equitably. We facilitate transparent negotiations among landlords, tenants, and stakeholders, ensuring outcomes that are grounded in market evidence, legal frameworks, and client priorities. Our rent determination process combines rigorous valuation methodologies with contextual analysis to establish fair and defensible rental benchmarks, supporting sustainable tenancies and long-term asset performance.
